DESCRIPTION

Small wooden nutcracker ornament, model Jolly, designed for seasonal decoration. At 2.7 x 2.7 x 13.2 cm with a hanging cord, it suits a Christmas tree, garland or display stand. The carved wooden details for the head, drum and boots and the painted finishes create a handcrafted look. Lightweight and compact, it is easy to hang and intended for indoor decorative use.

Painted finishes and small accessories (imitation beard, carved drum) are practical details to consider: handle with care to preserve the paint. Suitable for advent calendars, table centrepieces and corporate gifts. Available in several colours, for example red, black and natural.

This item can be personalised by laser engraving for fine marks in the wood or by tampography to add a logo on flat surfaces. Ideal for companies, associations, clubs, schools and private customers looking for seasonal promotional items or end-of-year gifts. Note: minimum order 20 pieces (colours and sizes combined); promotional objects have a specific minimum per reference. We provide a free quote within 24 hours on weekdays and a graphic studio to retouch or vectorise your logo.
