DESCRIPTION

Right-cut acrylic pullover in size L/XL, designed for comfortable wear at festive gatherings. The jumper features a crew neckline, long sleeves and ribbed cuffs and hem for a secure fit. It includes 10 LED lights with a removable battery compartment (supplied with 2 CR2032 batteries) so the design can light up without affecting comfort. Available in 1 colour, including black.

The jacquard knit pattern spans the body and sleeves, and the ribbed trims help maintain shape. The removable battery pack makes washing and off-season storage simpler; follow care instructions for garments containing electronic components.

This pullover can be personalised from a minimum order of 10 pieces and suits companies, clubs, associations, events and private customers seeking a novelty Christmas jumper. We provide marking by DTF printing, multicolor transfer, flex or embroidery depending on the desired finish. Our graphic studio can edit or vectorise your logo; free quote within 24 hours on weekdays.
