DESCRIPTION

Small circular wooden ornament, Ø6 CM, designed for easy hanging on a Christmas tree or as seasonal home decor. The Arseed model is crafted from natural wood, lightweight and simple to care for — a soft cloth wipe is enough to clean it. The product is supplied with spruce seeds inside a kraft envelope, making it a plantable seasonal gift. It is suitable as a unisex decoration for corporate events, client gifts or promotional campaigns.

The ornament features a jute cord for effortless hanging and a natural, handcrafted look. The circular cut-out frames a stylised tree with internal cut-outs that showcase the wood grain. Each piece is presented in an individual kraft envelope, ready for distribution at events or as part of gift packs.

Customisable by digital printing, doming, laser engraving or pad printing, this personalised decoration is ideal for companies, clubs, associations, schools and private customers seeking an eco-friendly promotional item.
