DESCRIPTION

Round wooden ornament, Ø6 CM, model Roseed, designed as a seasonal decoration for trees or event giveaways. The circular shape with two star cut-outs and a jute cord gives it a simple, natural look. Supplied in a kraft envelope, it is intended for indoor use and requires minimal care—wipe with a dry cloth to preserve the wood.

The visible, smooth wood finish and clean edges reflect practical craftsmanship; the cord hole is reinforced and the flat profile makes it easy to store and ship. Available in several variants, it is ideal for inclusion in gift boxes or as a small promotional item at festive events.

Customisable by digital printing, doming, laser engraving or pad printing, this personalised decoration suits companies, sports clubs, associations and private individuals seeking a tasteful, eco-aware giveaway. Minimum order: 100 pieces (colours and sizes combined). Our studio can retouch or vectorise your logo.
