DESCRIPTION

Large paper gift bag (26x11x36 cm) made with 30% recycled paper, designed for seasonal gift packaging. The Bossa Large model offers a sturdy paper construction with an included tag for labelling contents. The bag is FSC-certified and should be stored flat and kept dry for occasional use as a retail or event gift bag.

Built with a gusseted side and flat base, the bag stands upright and accommodates books, textiles or small presents. Rope handles provide comfortable carrying and the attached round tag is convenient for messages or recipient names. The size offers generous capacity while remaining easy to handle.

Available as a personalised product, the bag can be printed using screen printing (screen printing) to apply your logo or seasonal artwork. Suited to companies, clubs, associations, shops and private customers, the minimum order is 50 pieces (colours and sizes combined). A free quote is provided within 24 hours on weekdays and our studio can retouch or vectorise your logo.
