DESCRIPTION

Large gift bag made from recycled paper, designed to hold bulky presents or multiple items. The Bao Large has a flat base (32 x 12 x 40 cm) for stability and a wide opening for easy packing. The recycled paper gives a matt finish and is a more responsible choice for seasonal gifting or retail packs. Care: intended for temporary use and should be kept away from moisture.

The bag features twisted paper handles attached at the top and a reinforced base to support contents. Its rectangular shape and foldable sides allow flat storage before use, while the smooth printable surface accommodates crisp graphics.

Customisation options include digital printing, screen printing for objects, multicolour transfer, DTF printing or flex. Suitable for companies, shops, events, associations and private customers looking for a personalised gift bag. Minimum order: 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
