DESCRIPTION

Large cotton drawstring sack (Laukku), approx. 50x70 cm, made from 180 g/m² cotton. Its roomy cut and soft but sturdy feel make it suitable for seasonal gift packaging and promotional use. The top drawstring closure in a stitched tunnel allows quick opening and secure fastening; for care, wash gently and air dry to preserve the fabric.

The visible construction shows reinforced seams and a wide interior volume suitable for toys, garments or promotional products. The model is offered in several colours, for example Red and Green.

You can order this personalised cotton sack with screen printing, transfer multicolour, DTF printing or flex, depending on the finish you want. Recommended for companies, clubs, associations, events and private customers. This item is not available per piece — minimum order 25 pieces (colours and sizes combined); smaller quantities may be possible with additional fees. Our studio can vectorise or retouch your logo before production.
