Other wooden tic-tac-toe game in MDF, compact in size (17.5 x 24.3 x 1.5 cm) with a Christmas motif. Designed for playful use and display, the board is flat with a removable grid and nine pieces for two players. The matt finish and precise cut edges provide a comfortable feel and simple care — occasional dusting with a dry cloth is sufficient.

The set features a cross-style grid and seasonal-shaped tokens, all cut from MDF and assembled to sit stably on a surface. Its compact dimensions make it suitable for family use, clubs or as a seasonal giveaway: easy to store, transport and present.
