DESCRIPTION

Christmas socks in size M (38-42), designed for comfortable seasonal wear. Knitted mainly from cotton with recycled polyester (RPET) and a touch of spandex, they provide stretch and a soft feel while keeping shape. The crew rise features an elasticated cuff to hold the sock in place, and reinforced heel and toe increase longevity. Compact dimensions (24.5 x 9.5 cm) suit most footwear.

Offered in several colourways — for example red, green or bordeaux — this model features an integrated festive knit pattern and clean finishing at the seams. The material's texture is pleasant to the touch, making the socks suitable as corporate gifts or event giveaways. Wash at moderate temperature to maintain elasticity and colours.

Customisable from 100 pieces (colours and sizes combined). These personalised socks can be marked using Digital printing, Doming or Screen printing on objects. Ideal for companies, sports clubs, associations, events and private customers; our design studio can retouch or vectorise your logo before production.
