DESCRIPTION

Foldable paper decoration in a tree shape, model Harmobig, designed for indoor seasonal use. Made from recycled paper (FSC Recycled 70%), its honeycomb construction creates a voluminous yet lightweight ornament. Size: 12.8 x 12.8 x 30 cm. The accordion fold and magnetic closure make it quick to open and easy to store flat afterwards. Available in several colours, for example red, green and beige.

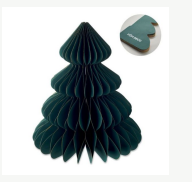

The finish features layered paper leaves with rounded edges forming a regular conical silhouette; the folded design provides stable placement on a flat surface. Minimal care required—dust gently. The item is delivered ready to deploy with no complex assembly needed.

Customisation available by digital printing and screen printing: ideal for companies, sports clubs, associations, seasonal events and corporate gifts. Minimum order: 25 pieces (colours and sizes combined). We provide a free quote within 24 hours on weekdays and a graphic studio to retouch or vectorise your logo prior to printing.
