Average weight	0.4
Dimensions	10.5 x 10.5 x 19CM
Country of origin	China
Carton	18 pieces

DESCRIPTION

The Whirly music box is a compact decorative item made from MDF and ABS, designed to add a nostalgic accent to a shelf or table. Measuring 10.5 x 10.5 x 19 cm, it features a rotating carousel with small horses and runs without batteries via a wind-up mechanism that plays Jingle Bells. The MDF construction provides a stable form and neat painted finishes.

In practical use this item is delicate: handle with care and avoid impacts and moisture. The exposed carousel and small decorative parts require gentle cleaning with a dry cloth. The product is offered in several colourways.

This Whirly is suitable as gifts for companies, events, clubs, associations or individuals and can be personalised by laser engraving and pad printing. Minimum order: 9 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
