DESCRIPTION

Reusable hand warmer shaped like Santa Claus, intended to keep hands warm at winter events or as a seasonal giveaway. It consists of a PVC pouch filled with a non-toxic sodium acetate solution; activation is performed by pressing the internal metal disc to trigger the exothermic reaction. Compact size (9.5 x 7.5 cm), easily carried in a pocket or bag.

The warmer is flat and robust with no visible moving parts, making it easy to store and reuse after reactivation by boiling. Suitable for distribution at markets, corporate events or as a promotional gift. The item is offered in several colour variants.

Customisation by pad printing is available for companies, sports clubs, associations, events and private customers. Minimum order: 50 pieces (colours and sizes combined). We provide a free quote within 24 hours on weekdays, a graphics studio to prepare or vectorise your logo, collection from our Evere workshop or delivery in Belgium, France and Luxembourg. personalised product.
