## DESCRIPTION

Small decorative gnome ‘Frosty Sleigh’ seated on a poplar wood sleigh, ideal for seasonal table displays or shop windows. The gnome features a striped knitted hat and a felt body, filled with cotton and quartz, giving it a handcrafted, tactile look. Compact size: 4.9 x 10 x 9 cm, easy to position on shelves or counters.

The sleigh shows precise cut details and a natural wooden finish with visible slots on the sides and platform. The gnome adds texture with a full beard and small felt hands; care is limited to light dusting. Available in several colours, for example red and grey.

Non-textile product; customisation available by DTF printing, doming, laser engraving or pad printing. Suitable for companies, clubs, associations and events seeking seasonal decoration or promotional gifts. Minimum order: 30 pieces (colours and sizes combined).
