DESCRIPTION

The Gleeful Santa decoration is made from soft polyester (PET) and measures approximately 15x7cm, perfect for hanging on a tree or adding to gift packaging. It features a hanging loop at the top, a plush beard and tidy embroidered eyes, nose and mouth for a neat, durable finish. This is a non-textile seasonal indoor item; spot cleaning or gentle dusting is recommended to keep it in good condition.

Details include a conical hat with a pompom, a stylised belt and compact proportions that make it suitable for displays and promotional use. Visible seams are discreet and the plush material is soft to the touch, making handling easy during events and campaigns. Its small size allows simple integration into decorations and promotional packs.

This personalised decoration can be customised using multicolour transfer, DTF printing or flex depending on the desired effect. Ideal for companies, sports clubs, associations, schools and private customers; minimum order 75 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
