DESCRIPTION

Its rounded shape with an integrated handle and a metal rim gives a traditional, sturdy feel while the included gift box enhances presentation for seasonal campaigns. It is offered in several colours, for example red and white.

The enamel finish provides a smooth, easy-to-clean surface and a reliable area for decoration. The metal construction delivers durability and light impact resistance, suitable for occasional outdoor use when handled with care; avoid aggressive cleaning to preserve the enamel. The gift box makes this item practical for corporate presents and promotional distributions.
