DESCRIPTION

This 300 ml enamel-coated metal mug is made for everyday use — hot and cold drinks — with a classic shape, rounded handle and a reinforced metal rim. The enamel finish provides a smooth, easy-to-clean surface while the white interior improves visibility of contents. It comes in a matching gift box, making it suitable for seasonal gifts and corporate giveaways.

The Santamel mug features practical details: rolled metal rim for durability, ergonomic handle and a printed decoration on the enamel surface. Compact dimensions (11.3 x 8.7 cm) make it convenient for office use, event stands or gift sets.

Customisation options include laser engraving, sublimation, screen printing on objects and pad printing. This item is not available per piece — minimum order 20 pieces (colours and sizes combined).
