DESCRIPTION

This recycled felt decoration in the shape of a small gnome (model Frosty Tree) is designed to hang as a seasonal accent in offices, shop displays or on Christmas trees. Measuring 5 x 13 cm, it features a polyester beard and cotton stuffing that give it volume while keeping it lightweight. A hanging ribbon is included for easy display, making it suitable for corporate spaces, associations and event settings.

The piece is constructed with a conical felt hat, a rounded body and a textured beard that provides visual depth. The felt has a supple yet substantial feel and visible seams secure the components. Surface cleaning is recommended to maintain the shape and appearance over time.

This personalised decoration can be customised using multicolour transfer, DTF printing or flex depending on the finish required. Ideal for companies, sports clubs, associations and private customers as seasonal gifts or promotional items. Minimum order: 250 pieces (colours and sizes combined).
