## DESCRIPTION

Small decorative PVC keyring in the shape of Santa Claus, designed as a seasonal accessory and promotional giveaway. The moulded PVC charm provides soft, raised detailing and connects to a flat strap and a key ring plus a zinc-alloy clasp for secure attachment to keys or bags. Compact dimensions (5.3 x 4.4 x 3 cm) make it convenient to distribute at events or include in festive gift packs.

The visible finishing pairs a strap with a snap fastener and metal fittings for improved durability in everyday use. Care is straightforward: wipe with a damp cloth to remove dust and marks; avoid harsh solvents that may damage the PVC.

This promotional decoration can be personalised by pad printing (tampography) and is suitable for companies, associations, clubs and seasonal events. Minimum order: 150 pieces (colours and sizes combined); smaller quantities may be possible subject to additional fees. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
