The cotton fabric provides comfort and reliable wear for regular use; follow the manufacturer's care instructions.

The jacket includes four front pockets (two lower pockets and two chest pockets) and a zipped sleeve pocket for secure storage of small items. Visible topstitching, long sleeves and a straight fit give a clean finish, and a small patch at the hem adds subtle character. The DAVIS jacket can be personalised from one piece and suits companies, sports clubs, associations, events and private customers.
