DESCRIPTION

Men's V-neck scrub-style work tunic designed for comfortable all-day wear. Made from a stretch polyester blend (95% polyester, 5% elastane), it features a masculine cut with side vents to aid breathability. Available in several colours (for example Black, Navy, White) and sizes XXS to 3XL to accommodate diverse teams.

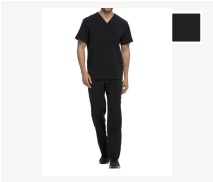

The tunic includes four practical pockets: two patch pockets at the front, a chest pocket with a pen slot and an accessory pocket, plus utility instrument loops in herringbone tape on the right pocket. Finishings include a tone-on-tone woven label and a herringbone neck tape for a tidy internal finish. See the product sheet for specific care advice.

This personalised work tunic can be customised from a single piece on a wide range of textile options. Customisation techniques available: transfer, DTF printing, flex, screen printing and embroidery. Suited to companies, clinics, associations, sports clubs and individuals wanting a branded, functional garment.
