DESCRIPTION

This unisex trouser in a standard waist is designed for professional and everyday use. It features a straight leg cut with an adjustable drawstring at the waist for easy comfort and fit; leg opening 51.5 cm. Made of 55% cotton / 45% polyester for comfortable wear and straightforward care. Available in several colours (including Royal, Navy, White) and in sizes XXS to 3XL.

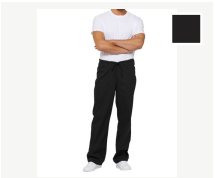

The design includes a rear pocket with an internal knit pocket (blue lining for blue shades, white for White) to secure small items. The straight leg finish provides a clean, professional look suited to medical settings and workplaces where practicality matters.

These personalised trousers can be customised from a single piece using embroidery, DTF printing, flex, screen printing, screen-print transfers (one-colour or multicolour) and embroidered patches. Recommended for companies, clinics, clubs, schools and individuals seeking durable, branded workwear.
