Clip-on storage rack

FLEXFIT · Ref. FF008

Reference	FF008
Brand	FLEXFIT
Composition	100% Plastic
Material	Plastic
Country of origin	Bangladesh
Carton	36 pieces

DESCRIPTION

Storage support for 5-panel caps, made of 100% plastic. Compact and lightweight, it is designed to hold up to 18 caps and hangs from a cord; the individual clips secure the visor and crown to keep caps in shape and displayed neatly. The plastic construction makes it easy to clean and suitable for shop displays, back-stock or transport.

The clips are curved to follow the visor profile and feature an interlocking mechanism visible in the photo, providing a tidy presentation and quick access to add or remove caps. The support is available in one colour (BLACK) and one size, convenient for standardising displays in retail or at events.

Customised from a single piece, this support can be marked using screen printing (Transfert Sérigraphique), DTF printing, flex (flock) or embroidery adapted for plastic elements. Recommended for retailers, companies, clubs and event organisers who need an organised way to present or sell caps.

KEY FEATURES
