DESCRIPTION

Unisex micro-fleece jacket offering lightweight warmth and durability. It features a full zip with chin guard, a straight cut and is available in several colours (Black, Dark Grey, Navy) across sizes XS to 4XL. Made from 100% recycled polyester with a high-density knit, the fabric is soft and designed to resist pilling while providing effective insulation for everyday wear.

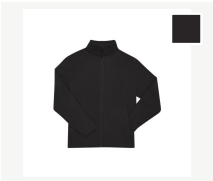

Practical details include elasticated cuffs and hem for a secure fit and zipped pockets to keep belongings safe. The stand-up collar adds extra warmth without bulk, making this jacket a reliable mid-layer for outdoor activities or workplace use.

Customisable as a personalised fleece from one piece by embroidery (embroidery). Suitable for companies, sports clubs, associations, schools and private customers; the no-label option simplifies rebranding. Our studio can retouch or vectorise your logo.
