DESCRIPTION

This unisex bucket hat features a relaxed cut and a flat brim with a deliberately frayed edge for a contemporary look. Made from 100% cotton, it feels soft to the touch while remaining robust and comfortable for everyday wear; the one-size design simplifies distribution for teams and events. Visible stitching and the finished brim give the hat a crafted appearance without complicating its simple silhouette. Available in several colours, for example BLACK and OFFWHITE.

This personalised bucket hat can be produced using embroidery, transfer, DTF printing or flex, depending on the finish required. Suitable for companies, sports clubs, associations, events and private customers; customisation is possible from one piece and our studio can vectorise or retouch your logo.
