DESCRIPTION

Unisex Trucker designed for urban wear with excellent airflow. The structured buckram front keeps the shape firm while the mesh back panels provide maximum ventilation; a sweatband improves comfort. Flat brim and a matching plastic snapback closure, one size fits most. Made from cotton and polyester; wash gently and air-dry to maintain shape.

This personalised Trucker can be customised from a single piece and comes in several colours (e.g. black, navy, white). Customisation techniques include screen printing, transfer, DTF printing, flex and embroidery. Suitable for companies, sports clubs, associations, events and private customers — our graphic studio can retouch or vectorise your logo.
