DESCRIPTION

Unisex 6-panel cap with a classic cut, made from an acrylic/wool blend that keeps the front panels structured while a cork visor adds a distinctive, natural touch. The cap is one size with an adjustable snapback for a comfortable fit. Care is standard for mixed-fibre headwear.

The construction features structured front panels and a flat cork brim. Ventilation eyelets are present on the panels for airflow, and the adjustable closure ensures easy fitting. The flat visor provides a good, even surface for decoration.

This personalised 6-panel cap can be ordered from one piece and is suited to companies, sports clubs, associations, events and private customers. Decoration techniques available include embroidery, DTF printing, flex, screen printing transfers and MSO transfer. Our studio can retouch or vectorise your logo before production.
