Brand	Front Row
Composition	100%
Material	100% Recycled polyester
Fabric weight	300 g/m²
For	Unisex
Country of origin	China
Carton	12 pieces

DESCRIPTION

Unisex sherpa vest made from recycled polyester, offering warmth and comfort while keeping mobility unrestricted. Sleeveless design with a central zip and contrasting serge panels sewn flat brings together the soft sherpa texture and more structured panels for a practical everyday layer. Available in several colours (including Black, Natural, Navy) and sizes S to XXL, it suits sports teams, outdoor activities or casual urban wear. Care is straightforward thanks to the recycled polyester construction.

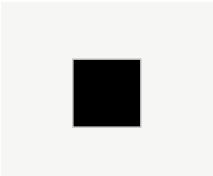

The vest features a modest stand collar, a zipped chest pocket and piped side pockets secured with snap buttons to keep small items safe. Flat seams and neat panel finishes improve durability and the overall fit.

Customisable from a single piece, this is an excellent personalised gilet using Transfer (Transfert Sérigraphique), MSO transfer, DTF printing or flex. Suitable for companies, sports clubs, associations, events and private customers; our studio can retouch or vectorise your logo.
