Material	Polyester, Elastane
Fabric weight	320 g/m²
Average weight	850 g
For	Men's
Label	Sewn-in label
Country of origin	China
Carton	10 pieces

DESCRIPTION

Men's Space softshell jacket built for outdoor use, combining technical performance with comfort. The jacket features a U-Tex membrane that makes the fabric waterproof, breathable and windproof, plus a soft microfleece lining for added warmth. It has an active fit with pre-shaped sleeves and an extended back, a detachable adjustable hood, and adjustable cuffs with an integrated thumb loop for secure wear during activity. Care is straightforward following the manufacturer's guidance.

Practical details include multiple water-repellent zips and useful pockets: two front pockets, a chest pocket, two large internal pockets and a thermosealed sleeve pocket. Reflective inserts and a rear collar band enhance visibility, while an internal drawcord and a hydrofuge central zip complete the functional specification.

Personalise this item from a single piece: we offer personalised softshell through screen printing (Transfert Sérigraphique), MSO transfer, DTF printing, flex or embroidery. Suited to companies, sports clubs, associations, event teams and private customers. Available in several colours (Asphalt Grey, Black Carbon, Deep Blue) and sizes S to 5XL.

KEY FEATURES

- Suitable for the outdoors thanks to U-Tex waterproof and wind breaker technology.
