DESCRIPTION

The Bermuda Mercury is a men’s short in U-4 stretch fabric (86% nylon, 14% elastane) offering a Slim Fit that balances freedom of movement with durability. The waistband is elastic with a hidden draw system and belt loops. The fabric is water-repellent and breathable for quick drying. It comes in several colours such as Asphalt Grey, Black Carbon and Deep Blue, and is available from XS to 5XL.

Designed for practical use, the short features multiple pockets including side pockets, a flap cargo pocket and concealed zipped pockets; it also incorporates a rear bib for lumbar support and triple stitching for increased robustness. The photo shows a reinforced waistband and technical topstitching, reflecting details built for intensive wear.

These personalised shorts can be ordered from one piece and suit companies, sports clubs, associations and private customers looking for a practical, smart work short. Personalisation options include embroidery, DTF printing, flex, screen printing, transfer prints and embroidered patches; our design studio can vectorise and adjust your logo, and we provide a free quote within 24 hours on weekdays.
