Average weight	750 g
For	Men's
Label	Sewn-in label
Country of origin	China
Carton	10 pieces

DESCRIPTION

The Spock hybrid jacket for men is designed for active work in cold or temperate conditions. The torso and sleeves combine stretch polyester with elastane for freedom of movement, while the chest, shoulders and hood use 20D nylon for lightweight durability and water resistance. The quilted, seam-free construction and nylon/microfleece lining add insulation and comfort. Available in several colours such as Asphalt Grey, Black Carbon and Deep Blue, it comes in sizes S to 4XL.

Functional details include a fixed adjustable hood, central waterproof zip, elastic cuffs and a shaped hem. Two large front pockets with fluorescent zips, a waterproof chest pocket and two internal pockets offer practical storage. A fluorescent piping on the back and tone-on-tone logo finish complete the technical, work-ready look.

This personalised jacket can be ordered from one piece and is suitable for companies, sports clubs, associations, events and private customers. Customisation techniques available: screen printing transfers, MSO transfer, DTF printing, flex and embroidery. Our graphic studio can retouch or vectorise your logo. Collection from our Evere workshop or delivery in Belgium, France and Luxembourg; free quote within 24 hours on weekdays.
