Country of origin	China
Carton	35 pieces

DESCRIPTION

These men's shorts combine a jogging-style cut with a highly stretchable fabric (86% nylon, 14% elastane) to follow movements throughout the working day. They feature an elasticated waistband with a central zip and rubber button, and are breathable, water-repellent and quick-dry — suitable for warmer conditions. Available in several colours and sizes from XS to 5XL, the shorts offer comfort and freedom of movement thanks to the U-4 way stretch fabric.

Functional details include multiple pockets: front pockets, multifunction zipped pockets, rear pockets (one zipped, one with velcro), a rule pocket and a hammer loop. A reinforced rear panel protects the lumbar area and a tubular belt loop with a reflective band improves visibility on site. Reinforced seams and practical closures ensure the garment stands up to daily use.

These personalised shorts can be customised from one piece and accept embroidery, DTF printing, flex, screen printing, transfer prints and embroidered badges. Suitable for companies, sports clubs, associations, schools, youth movements and private customers seeking a durable, customizable work short.
