DESCRIPTION

This men's work trousers in a jogging cut is made from a four-way stretch fabric (86% nylon, 14% elastane) for maximum freedom of movement. The material is breathable, quick-drying and water-repellent; the design includes elastic inserts at the waist and hem and a central zip with a rubber anti-scratch button. Available in several colours, including Asphalt Grey, Black Carbon and Dark Green, and in sizes XS to 5XL, it suits professionals who need mobility and comfort on site.

Functional details enhance day-to-day use: reinforced rear and heel patch for lumbar protection, multiple pockets (two large front pockets, multifunctional zipped front pockets, two rear pockets one with zip and one with Velcro), a measure pocket, hammer loop and knee pad pockets. Elasticated leg hems and a reflective strip on the rear loop improve fit and visibility.

The trousers can be personalised from one piece and are ideal for companies, sports clubs, associations, schools and events. Customisation options include embroidery, DTF printing, flex, screen printing and transfer, plus embroidered badges and pad printing. Our graphic studio can retouch or vectorise your logo; free quote within 24 h on weekdays and collection at our Evere workshop or delivery in Belgium, France and Luxembourg. Personalised trousers.
