DESCRIPTION

The Trek technical trousers for men feature a jogging cut in U-4 4-way stretch fabric (90% nylon, 10% spandex), offering exceptional freedom of movement and comfort. The material is water-repellent, breathable and quick-drying, suited to active work environments. Available in several colours such as Black and Deep Blue and in sizes XS to 4XL.

The image shows a design with multiple functional pockets including zipped cargo pockets, belt loops, a D-ring and a zip at the leg hem; the ankles are elasticated for a secure fit. Articulated panels and reinforced seams aid mobility and durability in daily use. Care is straightforward thanks to the quick-drying technical fabric.

These trousers are ideal as personalised trousers for companies, sports clubs, associations, events and individuals. Customisation options include embroidery, DTF printing, flex, screen printing, transfers or embroidered patches. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
