The Stadium plaid comes in one size and is designed for comfortable use at home or during events. Made of 50% cotton / 50% polyester with a brushed mid-weight finish and hems around the edge, it offers good durability and reduced pilling thanks to the combed MVS yarn. It is offered in several colours, including Navy, Red and Sand, and is maintained like standard household textiles.

This plaid can be personalised from one piece with embroidery for logos and trims. Suitable for companies, sports clubs, associations, events and private customers. Our graphic studio can vectorise your logo and prepare the design for production.
