DESCRIPTION

Men's short-sleeve polo in recycled polyester with a regular fit, engineered to wick moisture quickly and remain highly breathable. The micro-pique knit gives a soft, comfortable hand and a structured appearance, while the three-button placket and ribbed collar keep the look professional. Available in multiple colours and sizes XS to 4XL, it suits teams, staff uniforms and event wear.

Side vents add ease of movement and the cut retains its shape in everyday use. The recycled polyester is low-maintenance and the micro-pique texture provides a neat finish without bulk. Practical for regular professional wear where comfort and quick drying are priorities.
