DESCRIPTION

Unisex long-sleeve polo in Cool Plus® micro-pique polyester, engineered to wick moisture quickly while remaining soft to the touch. It has a classic cut with a two-button tone-on-tone placket, ribbed collar and cuffs, and side vents, offering a smart, comfortable option for work, clubs or events. Available in several colours (Black, Navy, White) and sizes S to 3XL, it is low-maintenance and practical for regular use.

Side vents increase ease of movement, the placket and collar provide a tidy finish, and the ribbed cuffs keep sleeves in place. The micro-pique structure ensures breathability and fast-drying properties, suitable for light physical activity or daily professional wear.

This personalised long-sleeve polo can be personalised from one piece using DTF printing, screen printing (transfer), Flex, transfer MSO or embroidery. Recommended for companies, sports clubs, associations, events and private customers; our design studio can retouch or vectorise your logo before production.
