DESCRIPTION

Men’s long-sleeve polo in Cool plus® micro pique, 100% polyester (180 g/m²), engineered to wick moisture quickly and provide high breathability. The classic cut delivers comfort and freedom of movement, featuring a 2-button placket in tone-on-tone and ribbed trims at the collar and sleeves with contrast tipping. Available in several colours, for example Black/Red, Navy/White or Royal/White, and in sizes S to XXL.

Side vents increase mobility and the lateral aeration helps maintain airflow during active use. The technical fabric is low-maintenance and quick-drying, making the polo suitable for frequent professional wear — reception staff, field teams or event crews will appreciate its practicality.

This personalised polo accepts embroidery, DTF printing, flex, screen printing and transfer MSO. Recommended for companies, sports clubs, associations, events and private customers; customisation is possible from one piece and our design studio can vectorise or retouch your logo.
