DESCRIPTION

Women's blouse with a clean, feminine cut, available in several colours (including Black and White) and sizes XS to 4XL. Made from 100% Cofrex Pufy® polyester, it offers a cotton-like hand, breathability, UV protection and quick-drying performance. The round neckline features decorative pleats for subtle shaping while cap sleeves maintain ease of movement. The fabric is low-creasing and easy to care for, making it practical for regular wear.

The piece displays a straight hem and tidy finishes around the neckline and sleeves. Its smooth drape gives a smart, professional appearance suitable for reception staff, events or association use where a polished look is important.

This personalised blouse can be decorated using transfer screen printing, MSO transfer, DTF printing, flex (heat transfer) or embroidery. Recommended for companies, clubs, associations, events and private customers; it can be personalised from a single item.
