DESCRIPTION

Women's straight-fit trousers made from a 65% polyester / 35% cotton blend, designed for comfortable, professional wear. The classic cut and quality finish make them suitable for office use, events or everyday workwear. The fabric mix gives a structured feel and durability while remaining comfortable to wear.

The photograph shows an ankle-length straight silhouette with belt loops, button fastening, side pockets and two rear buttoned pockets for discreet storage. The material appears robust and well finished, consistent with the product's described strengths. Available sizes range from 36 to 44 (five sizes).

These trousers can be personalised from one piece: we offer embroidery, DTF printing, flex, screen printing, transfer prints (single colour and multicolour) and embroidered patches. Suitable for companies, sports clubs, associations, schools and private customers seeking personalised, professional trousers.
