DESCRIPTION

Mens sleeveless zipped pullover in a 50/50 cotton/acrylic blend, with a semi-shaped neckline and a full-length silver metal zip for a smart, practical finish. Ribbed hem, collar and armholes provide structure and comfort, while two welt side pockets offer discreet storage for everyday use. The pullover comes in several colours, including Black, Grey Marl and Navy, and is available from S to 3XL.

The sleeveless cut makes it easy to layer over shirts or workwear; ribbed trims help the garment retain its shape through repeated wear. The metal zip is durable and user-friendly. Follow the garment care label for washing instructions appropriate to cotton/acrylic blends to maintain colour and fit.

This personalised pullover is customisable from 1 piece and suits companies, sports clubs, associations and private customers. We offer embroidery, DTF printing, screen printing transfers, transfer MSO and flex (heat transfer). Our design studio can retouch or vectorise your logo.
