DESCRIPTION

Men's Henbury cardigan with a V-neck, straight cut and long semi-shaped sleeves. Made from 50% cotton / 50% acrylic (310 g/m²), it features a soft knit and ribbed finishes at the neck, cuffs and hem. The V-neck is secured with a row of six tone-on-tone buttons, allowing it to be worn open or closed depending on the occasion.

The design delivers a smart, streamlined look suitable for professional and association use: ribbed trims, central button placket and a fit that maintains shape without bulk. Offered in several colours including Black and Navy, and in sizes S to XXL.

This personalised cardigan can be customised from one piece by embroidery, DTF printing, flex, screen printing transfer or MSO transfer. Perfect for companies, sports clubs, associations, events and private customers; our graphic studio can vectorise or retouch your logo before production.
