DESCRIPTION

Women's V-neck cardigan in a soft knit (50% cotton, 50% acrylic), designed for comfortable wear and a tailored look. It features a 7-button pearlescent fastening, ribbed neckline and cuffs, and two front patch pockets. Available in several colours including Black and Navy, and sizes S to XL, it is suitable for both everyday and corporate use and should be cared for according to the manufacturer's instructions.

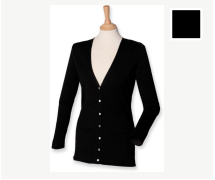

The cut includes semi-shaped shoulders and sleeves for a neat fit without stiffness. Construction seams are discreet and ribbed trims help the garment retain its shape through washes. The pockets add practical functionality while the button-through front gives versatility in styling, worn open or closed.

This personalised cardigan can be ordered from one piece and customised using our studio with these techniques: transfer screen printing, MSO transfer, DTF printing, flex (flocking) and embroidery. Recommended for companies, sports clubs, associations, schools and individuals seeking a smart, identifiable garment.
