DESCRIPTION

This unisex personalised hoodie combines a straight cut with a soft feel, made from 60% regenerated cotton and 40% recycled polyester. The three-piece hood gives a structured fit, drawcords feature metal tips and a ribbed V-insert accents the neckline. Ribbed cuffs and hem plus a brushed fleece back add discreet warmth and long-lasting comfort.

Designed for everyday wear, it has set-in long sleeves and neat stitching that help preserve shape through washes. It comes in several colours — for example Black, Heather Grey and Navy — and in sizes XS to XXL, making it suitable for teams, clubs and individuals seeking a practical, durable hoodie.

The garment can be personalised from one piece and accepts embroidery, DTF printing, flex, screen-print transfer and MSO transfer. Recommended for companies, sports clubs, associations and private customers; free quote within 24 hours on weekdays, in-house graphic studio for logo vectorisation or adjustments, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
