## DESCRIPTION

Unisex long-sleeve contrast polo designed for situations where visibility and comfort are essential. Made from 100% polyester Bird-Eye with quick-dry properties, it has a relaxed fit and good breathability for all-day wear. Two extra-wide retro-reflective bands across the body and sleeves meet EN ISO 20471 Class 2, while the contrasting panels at shoulders and hem improve garment stability. This item can be personalised from one piece and is available within a wide range of textile options.

The polo features a classic collar with a three-button placket, ribbed cuffs and reinforced side vents with double-needle seams for increased durability. Contrasting finishes on the shoulders, collar and hem, plus a slightly longer back, enhance coverage during work and simplify everyday care.

Customize this personalised long sleeve using DTF printing, screen printing/transfer, transfer, flex or embroidery depending on placement. Suitable for companies, construction teams, clubs, associations and private customers. Our graphic studio can retouch or vectorise your logo; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
