DESCRIPTION

This women's sports polo has a straight cut designed for comfort during activity. Made from 100% polyester piqué mesh, the fabric is lightweight and quick-drying, making it suitable for training sessions and team wear. Raglan sleeves offer freedom of movement, while the three-button tone-on-tone placket and 1x1 ribbed collar give a clean, classic finish. It features a removable brand label.

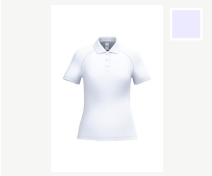

Double-needle hems on the sleeves and bottom provide a neat appearance over time, and the internal neck tape improves comfort. Available in several colours (for example Ideal White, Ideal Black, Ideal Navy) and in sizes XS to XXL, this polo works well for both sports use and promotional events.

This personalised polo can be ordered from one piece and our graphic studio can vectorise your logo. Personalisation techniques available: screen printing transfers, Transfert MSO, DTF printing, flex and embroidery. Recommended for companies, sports clubs, associations, schools and private customers wanting a technical, presentable garment.
