DESCRIPTION

Mens polo in a straight cut, designed for professional and club use. Made from 100% cotton piqué (200 g/m²), it delivers a structured feel and comfortable wear. The 1x1 rib collar and three-tone-on-tone button placket provide a tidy finish; side vents and double-needle hems on sleeves and body allow ease of movement and reliable everyday wear. Available in several colours, for example Ideal White, Ideal Burgundy and Ideal Navy, and in sizes XS to 5XL.

The polo features a detachable brand label and an inner neck tape for added comfort. The piqué knit particularly enhances print quality and keeps its shape after washing, making it suitable for repeated use in corporate, sporting or association settings.

Can be personalised from one piece: personalised polo using Screen Print Transfer, MSO Transfer, DTF printing, Flex or Embroidery. Recommended for companies, sports clubs, associations, events and private customers seeking a neat, durable branded garment.
