DESCRIPTION

Men's polo in a piqué knit with a straight fit, offering everyday comfort and a clean look. It features a structured 1x1 rib collar and a three-button placket in tone, plus an inner neck tape for neat finishing. Available in nine sizes (XS–5XL) and twenty colour options, the piqué fabric provides an excellent surface for printing and consistent logo results.

Functional details include side vents, double-stitched sleeve and hem finishes and a detachable brand label to simplify rebranding. The straight cut gives room across the chest without being oversized, making this polo suitable for corporate wear, events or team uniforms.

This personalised polo can be customised from one piece using embroidery, flex (heat transfer), DTF printing, screen transfer and MSO transfer. Recommended for companies, sports clubs, associations, schools and individuals needing a reliable, bespoke polo on a wide range of textile options.
