DESCRIPTION

The iDeal150 women’s T-shirt features a straight cut and cut-and-sew jersey knit for a comfortable, slightly elastic feel. It has a round neckline finished with a 1x1 rib and twin needle topstitching, a tone-on-tone neck tape and twin-needle hems on sleeves and body; the brand label is removable. Available in multiple colours and sizes XS to 3XL, it suits everyday wear.

Side seams provide a clean drape and a more structured silhouette while keeping the fabric soft. Its light weight makes it suitable across seasons and easy to care for. Examples of available colours include Ideal White, Ideal Navy and Ideal Orange. The design is simple and versatile, with short sleeves and a classic round neck.

Ready for decoration, this garment is a personalised T-shirt using DTF printing, screen printing (screen printing), transfer and flex (flocking). Personalisation is possible from one piece — ideal for companies, sports clubs, associations, schools and private clients. Our graphic studio can retouch or vectorise logos; free quote within 24 hours on weekdays, collection in Evere or delivery in Belgium, France and Luxembourg.
