DESCRIPTION

The unisex iDeal170 T-shirt features a straight cut and short sleeves for comfortable everyday wear. Made from jersey knit cotton (100% cotton; 90/10 for Ideal Oxford Grey), it delivers softness and stretch. The crew neck has a 1x1 rib finish with double topstitching and an internal neck tape for durability, while a removable brand label makes it suitable for corporate and event use.

Double-needle hems at the sleeves and bottom improve garment longevity through repeated washing. Available in a wide range of sizes (XS to 5XL) and several colours such as Ideal White, Ideal Black and Ideal Navy, this T-shirt is a practical choice for teams and projects needing a clean, reliable base layer.

This personalised T-shirt can be customised from one piece using Screen print transfer, MSO transfer, DTF printing and flex. Ideal for companies, sports clubs, associations, schools, youth movements and private customers. Our design studio can vectorise or retouch your logo.
