DESCRIPTION

This unisex personalised sweatshirt features a straight cut and a tubular brushed fleece (260 g/m²) for a soft, warm hand-feel. The crew neck and 1x1 rib finishes at the cuffs and hem with double topstitching provide a clean, structured silhouette. It comes in several colours — for example Ideal White, Ideal Dark Grey and Ideal Royal Blue — and is available from XS to 4XL.

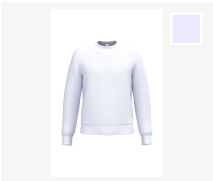

Set-in sleeves and reinforced double stitching at the seams improve durability in regular use; the removable brand label simplifies rebranding. Care: machine wash following cotton/polyester instructions to preserve the brushed fleece finish.

This personalised sweatshirt can be customised from one piece and is part of our offer sur une large gamme de textile. Available decoration techniques include embroidery, flex, screen printing transfers, DTF printing and MSO transfer — suitable for companies, sports clubs, associations, schools, events and private customers.
